The Concept
Of Advance Surfaces

Our new collection brings a new wave of artistry and creativity to the market. The dimensions are 1600x3200 mm, with a thickness of 12 mm. We manufacture under state-of-the-art technology, experienced professionals, and well-trained workers.

This collection speaks for itself. It is a melange of soft yet brilliant textures and patterns over distinctive shades under specific aesthetic colours. Our styles aim to illuminate your home and elevate it to another level of luxury
